Tampa-Hillsborough County Public Library

Print virtually any document or web page from your internet connected PC, tablet or smartphone to any one of our library printers. Select the location you want to print to (*see complete list of library printer locations inside*).

PRINTING INSTRUCTIONS

- Forward the e-mail or attachment to the address at the selected location.
- Provide a valid email address; your secure print release code will be emailed back to you.
- Select "Browse" to upload a file, or copy and paste the URL of a website to be printed. *Note: large print jobs may take longer to load.*
- Once the print job has been uploaded, you will be provided with the release code. Save this – you will need it to print your job.
- At the copier, press the designated HotSpot button on the touch screen; enter your release code and press "OK."
- Select the correct job and hit the "Print" button. The screen will prompt you to add money for prints. The price for the prints is indicated on the web page when you send the jobs.
- Place correct change in the coin box.
- Press the "Logout" button on the screen to end your session; the session will time out in 60 seconds. *Note: jobs will auto delete after 72 hours.*
