Songs

The Sun is in the Sky
Tune: The Farmer in the Dell
The sun is in the sky.
The sun is in the sky.
Hot and bright, it gives us light.
The sun is in the sky.
The moon is in the sky.
The moon is in the sky.
Around and 'round the earth it goes.
The moon is in the sky.
The stars are in the sky.
The stars are in the sky.
Twinkly bright, they shine at night.
The stars are in the sky.

Little Stars
Tune: One little, Two little
One little, two little, three little stars.
Four little, five little, six little stars.
Seven little, eight little, nine little stars.
Ten little stars in the night sky!

Stretch Time!
Bend and stretch, reach for the stars
There goes Jupiter, here comes Mars
Bend and stretch and reach for the sky
Stand on tip-e-toe, oh so high!

Red Light, Green Light
Red means, "Stop."
Green means, "Go."
Yellow means, "Very slow."

Every Child Ready to Read Skill

Writing

A top tip when teaching our children new skills (which can sometimes be frustrating for them) is that any skill worth having and important to us in life does indeed require patience, perseverance, and diligence - Learning to write requires all of these things for sure!

Learning new skills builds independence, confidence, and self-esteem. Encouraging children to learn new skills gives kids a sense of accomplishment and pride, which sets them up for a future full of achievement and success.
