Songs

Once I Caught a Fish Alive
One, Two, Three, Four, Five,
Once I caught a fish alive.
Six, Seven, Eight, Nine, Ten,
Then I threw him back again.
Why did you let him go?
Because he bit my finger so.
Which finger did he bite?
This little finger on my right.

Five Little Stars
*Tune: Five Little Ducks*
Five little stars were out one night,
Gold and silver, shiny and bright.
Up came the sun with morning’s light,
One little star winked out of sight
(*Count down to one star*)
One little star was out one night,
Gold and silver, shiny and bright.
Up came the sun with morning’s light,
That little star winked out of sight
Hello day! Goodbye night!

Five in the Bed
There were five in the bed,
And the little one said, “Roll over, roll over!”
So, they all rolled over and one fell out.
(Count down 4, 3, 2, 1)
There was one in the bed,
And the little one said, “Goodnight!”
(Snore)

Goodnight Poem
Ten little fingers, ten little toes,
Two little ears and one little nose,
Two little eyes that shine so bright,
And two little cheeks to kiss goodnight!

Singing
Singing is a great way to build vocabulary! Songs cover a huge variety of topics, and words set to music tend to stick in our heads better than spoken words.
Songs can help children to learn and remember topics such as numbers, letters, body parts, animals, and much more.
