Songs

**One, Two, Three!**
*Tune: This Old Man*
One, two, three,
Count with me!
It’s as easy as can be.
Four, five, six, seven—eight, nine, ten,
Now let’s start it once again!

**When I Close My Eyes**
*Tune: Twinkle, Twinkle Little Star*
When I close my eyes to sleep,
I dream dreams and count my sheep.
I know I can be whatever,
I choose and build—I am so clever!
Come morning, what will I do?
I will make my dreams come true!

**One, Two, Buckle My Shoe**
One, two, buckle my shoe
Three, four, shut the door
Five, six, pick up sticks
Seven, eight, lay them straight
Nine, ten, a big fat hen!

**Five Little Alligators**
Five little alligators sitting in the lake.
A fish swam by, and they all said, “Great!”
One swam down to the bottom of the lake,
and they all went,
snap, snap, snap!
*(Decrease the number of alligators!)*

Singing

- Singing songs is a great way to build vocabulary in young children.
- To help increase vocabulary, sing a variety of songs as often as you can with your child.
- Singing is both a happy and positive way for your child to learn new words and interesting concepts about the world in which they live.
