Every Child Ready to Read Skill

Sing

Music helps you to remember information. This is because several parts of the brain are active while listening to and playing music. If you want your child to remember to do a task, try making a song about it. For example, if you want your child to remember to wash their hands you can sing: "Wash, wash, your hands, Do it throughout the day, Scrub in and out and all around, Keep the germs away!"

Resource Shoutout

Reading to children early and often is key to school and learning success. Sign up to keep track of the books you are reading. Celebrate reading milestones with free books and prizes!
