Petitioners must not impede or interfere with customers' access to library facilities and are subject to the Library's Code of Conduct, LS502.

## Procedure

---

The Branch Supervisor determines whether or not the activity remains in compliance with the above THPL Petitioning Policy and notified their Library Regional Manager of the contact information of the organization, group, or individual utilizing the library property. The Library reserves the right to refuse individuals, groups, or organizations space for petitioning. Refusal can be based upon, but is not limited to: disruption of normal library business operations such as obstructing entrance and exit of library facilities; conducting petitioning outside of normal business hours. Refusal cannot be of an arbitrary or capricious nature in accordance with this policy. Individuals, groups, or organizations may ask for reconsideration of a denial by taking the following steps: the individual, group, or organization should first seek resolution from the branch or department supervisor. If unsatisfied with the response of the branch or department supervisor, the individual, group, or organization may complete and send an Appeal for Use of Library Petitioning Space form to the Director of Libraries requesting review of petitioning space denial. The form must be received no later than 15 days after the initial complaint to the branch or department supervisor.

The Library Director or designee appoints a panel of three Managers to review the petitioning space denial and address the party's complaint. The panel reviews the appeal form request and any relevant policies and informs the party in writing of its decision within fifteen days of receipt of the group/organization's complaint. Within seven days of receipt of the review panel's decision, the party may send a letter to the Director of Libraries asking for rescission of the denial and the reasons for the requested rescission. The Director has seven days to review the panel's decision and respond to the group/organization in writing. Within seven days of receipt of the Director's decision, the party may send a letter to the Tampa-Hillsborough County Public Library Board requesting review of the denial. The Library Board reviews the decision at their next regularly scheduled Board meeting and informs the party of their decision in writing.

The decision of the Library Board is final.
